Customer Service Representative

Job Description (cont’d)

• Must be able to apply common sense understanding to carry out instructions furnished in written, oral, or diagram form. Must be able to estimate yields from raw material sheets.
• Must be proficient and comfortable with computers. Familiar with MS Office (Word, Excel, PowerPoint, Outlook). Macola ERP and Salesforce knowledge preferred.

Minimum Qualifications (including Education):
Requires a high school diploma or equivalent and 3-5 years of experience in the field or in a related area

Licenses and Certifications Required: None.

Work Authorization: Due to International Traffic in Arms Regulations (ITAR) and Export Administration Regulations (EAR) requirements of this position, all candidates must be presently classified as a “US Person” which includes: a United States citizen; a permanent legal resident (green card holder); or a protected individual (refugee/asylum status)

AAP/EEO Statement: Abrisa Technologies is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or protected veteran status.

The following physical requirements and conditions described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Physical Requirements:
• Sedentary work: Exerting up to 10 pounds of force occasionally and a negligible amount of force frequently or constantly to lift, carry, push, pull or otherwise move objects, including the human body. Sedentary work involves sitting most of the time.

Physical Demands:
• Fingering: Picking, pinching, typing or otherwise working, primarily with fingers rather than with whole hand or arm as in handling.
• Hearing: Perceiving the nature of sounds at normal speaking levels with or without correction, and having the ability to receive detailed information through oral communication, and making fine discriminations in sound.
• Repetitive motions: Making substantial movements (motions) of the wrists, hands, and/or fingers.
• Talking: Expressing or exchanging ideas by means of the spoken word; those activities where detailed or important spoken instructions must be conveyed to other workers accurately, loudly, or quickly.

Visual Acuity:
• The worker is required to have close visual acuity to perform an activity such as: preparing and analyzing data and figures; transcribing; viewing a computer terminal; extensive reading; visual inspection involving small defects, small parts, and/or operation of machines (including inspection); using measurement devices; and/or assembly or fabrication of parts at distances close to the eyes.

Work Environment and other Conditions:
• The worker is not substantially exposed to adverse environmental conditions.
• PPE requirements: Steel-toed shoes and safety glasses required when on production floor as a minimum. Other PPE may be required depending on area and specific function needs.
