

Export License and Compliance Questionnaire

Export License and Compliance Questionnaire (to filled out and emailed as PDF to export@zcrcoatings.com).

End Use Questionnaire Purpose: In order to comply with United States export license regulations, Abrisa Industrial Glass and or Z C & R Coating for Optics requires that potential customers for all international sales complete this "End Use Questionnaire". The Name and Address on your Purchase Order must exactly match the address of the purchaser or consignee on your End Use Statement. Any information that is left blank, is filled out incompletely, or is completed incorrectly will delay the export license and compliance application and potentially delay shipment of goods.
