**Abris Technologies**

Publishes Inaugural Optics E-Newsletter

February 8, 2011 - Santa Paula, CA – Abris Technologies has distributed the February 2011 inaugural issue of their E-Newsletter via Constant Contact. The bi-monthly E-Newsletter will provide readers with information about each Abris Technologies divisions; **Abris Industrial Glass**, **Sycamore Glass Components**, and **ZC&R Coatings for Optics** and their product and services for the optics community.

Individuals may sign-up for the E-Newsletter on the divisional websites, or on the Abris Technologies website at: E-Newsletter Sign-up.

The inaugural issue featured stories and links about the following topics:

- Virtual Tutorials
- Jim Veler, CEO Abris Technologies Executive Messages
- Abris Technologies Website Launch
- Abris Technologies Capabilities Brochure Download
- 2011 Trade Show Participation
- Optical Coatings, Glass Fabrication & Specialty Glass Products
- Indium Tin Oxide (ITO) Coatings for High Transmittance Solutions
- Social Media (Facebook, Twitter, You Tube, LinkedIn)

The Opt-in E-Newsletter will be used to drive breaking news and the latest product and service information to subscribers. Abris Technologies would enjoy getting feedback about the E-Newsletter content and would appreciate subscribers sending in content suggestions to: marcom@abrisatechnologies.com.
